

MATERIAL SAFETY DATA SHEET
OSHA HAZARD COMMUNICATION STANDARD

KEY Scientific Products
1113 E. Reynolds St
Stamford, Texas 795583
1-800-843-1539

PRODUCT NAME:

CHERRY, PEACH AND/OR GRAPEFRUIT DEODORIZERS

CATALOG#

MULTIPLE

HAZARDOUS INGREDIENTS:

This product consists of natural fragrances in a non-hazardous liquid base within a gelatin capsule. None of these ingredients are known to be hazardous as defined by the OSHA standards.

SPILL AND DISPOSAL:

Product may be swept up and disposed of with normal laboratory trash. If capsule is broken, wash area and/or hands with soap and water to remove any residue.

OTHER HAZARDS:

The product is non-flammable and non-reactive.

Respiratory: Prolonged exposure may cause irritation to mucus membranes if the person is normally allergic to fragrances. Give oxygen if shortness of breath occurs.

Ingestion: Drink large amounts of water. Mild diarrhea may be experienced but no other adverse reaction is expected.

Eyes: Wash with water for 15 minutes.

COMMENTS:

The information listed here is believed to be accurate. KEY Scientific makes no warranty of any kind and disclaims liability from reliance thereon. We reserve the right to revise this MSDS as needed.
