

# ROSCO DIAGNOSTICA\*

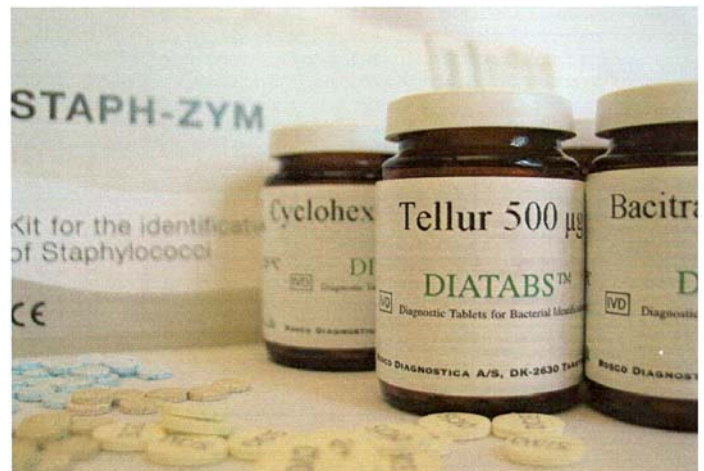

## NEO-SENSITABS AND DIATABS

### PRODUCTS FOR SUSCEPTIBILITY TESTS AND IDENTIFICATION OF BACTERIA AND FUNGI

**ROSCO** has been offering quality products for microbiology to the rest of the world for years. Now, effective January 2008, this great product line is offered in the US exclusively through Key Scientific Products.

**NEO-SENSITABS** ARE MORE ACCURATE THAN PAPER DISCS. THE TABLET FORM ALLOWS USE IN AGAR DILUTION METHODS AS WELL AS STANDARD SENSITIVITY TESTS ON PLATES. THE TABLETS ARE 9.2 MM IN DIAMETER. NEO-SENSITABS ARE SOLD IN PACKS OF 5 CARTRIDGES OF 50. THE COMPLETE LINE OF ANTIBIOTICS IS OFFERED FOR TEACHING AND RESEARCH USE. DISPENSERS ARE AVAILABLE.

**KEY SCIENTIFIC PRODUCTS**  
1113 EAST REYNOLDS ST.  
STAMFORD, TEXAS 79553

FAX 888-440-4208  
[WWW.KEYSCIENTIFIC.COM](http://WWW.KEYSCIENTIFIC.COM)

**DIATABS** FOR IDENTIFICATION OF BACTERIA AND FUNGI HAVE A LONG SHELF LIFE AND OFFER THE CONVENIENCE OF HAVING RARE TESTS AVAILABLE AT ALL TIMES AT AN ECONOMICAL PRICE WITH MINIMAL STORAGE SPACE REQUIRED. INSERTS ARE ALSO CONVENIENTLY ATTACHED VIA A "PULL-OUT" LABEL. DIATABS ARE SOLD 25 OR 50 PER VIAL, DEPENDING ON THE PRODUCT.

**NEO-SENSITABS (RESEARCH ONLY)**

|        |                                    |
|--------|------------------------------------|
| 60012  | Amikacin 30 ug                     |
| 70112N | Amoxicillin 30 ug                  |
| 60112  | Amoxicillin+Clavuganale 20+10 ug   |
| 60212  | Ampicillin 10 ug                   |
| 63412  | Ampicillin+Sugbaclam 10+10 ug      |
| 60312  | Azithromycin 15ug                  |
| 63612  | Aztreonam 30 ug                    |
| 70812N | Bacilracin 40 ug                   |
| 60412  | Cefazolin 30 ug                    |
| 63712  | Cefepime 30 ug                     |
| 64812  | Cefepime+Clavuganale 30+10 ug      |
| 63312  | Cefixime 5 ug                      |
| 63912  | Cefotaxime 30 ug                   |
| 64712  | Cefotaxime+Clavuganate 30+10 ug    |
| 80612N | Cefoxitin 10 ug                    |
| 62912  | Cefoxitin 3OI-ug                   |
| 63212  | Cefpodoxime 10 ug                  |
| 80912  | Cefpodoxime+Clavuganate 10+1ug     |
| 64012  | Ceflazidime 30 ug                  |
| 64612  | Ceflazidime+Clavuganate 30+10 ug   |
| 64112  | Ceflizoxime 30 ug                  |
| 64212  | Ceftriaxone 30 ug                  |
| 60512  | Cefuroxime 30 ug                   |
| 60612  | Cephalothin 30 ug                  |
| 60712  | Chloramphenicol 30 ug              |
| 60812  | Ciprofloxacin 5 ug                 |
| 60912  | Clarithromycin 15 ug               |
| 62512  | Clindamycin 2 ug                   |
| 63012  | Doxycycline 30 ug                  |
| 80712  | Ertapenem 10 1-ug                  |
| 61012  | Erythromycin 15ug                  |
| 62312  | Fosfomycin 200 ug                  |
| 74312N | Fucidin 100 ug                     |
| 74412N | Furazolidone 50 ug                 |
| 79712N | Gatifloxacin 5 ug                  |
| 61112  | Gentamicin 10 ug                   |
| 43012N | Gentamicin 250 ug                  |
| 61212  | Imipenem 10 ug                     |
| 80512N | Imipenem+EDTA 15+750 ug            |
| 62412  | Kanamycin 30 ug                    |
| 43112N | Kanamycin 500 ug                   |
| 74812N | Levofloxacin 5 ug                  |
| 75112N | Linezolid 30 ug                    |
| 61312  | Mecillinam 10 ug                   |
| 64312  | Meropenem 10 ug                    |
| 75512N | Metronidazole 16 ug                |
| 63112  | Minocycline 30 ug                  |
| 79812N | Moxifloxacin 5 ug                  |
| 75712N | Mupirocin10 ug                     |
| 61412  | Nalidixan 30 ug                    |
| 75912N | Neomycin 120 ug                    |
| 61512  | Netilmicin 30 ug                   |
| 62612  | Nitrofurantoin 300 ug              |
| 76212N | Norfloxacin 10 ug                  |
| 76312N | Novobiocin 5 ug                    |
| 61612  | Ofloxacin 5 ug                     |
| 76612N | Oxacillin 1ug                      |
| 61712  | Penicillin 10 U(Penicillin G)      |
| 77312N | Piperacillin 100 ug                |
| 77412N | Piperacillin+ Tazobactam 100+10 ug |
| 77512N | Polymyxins (Colistin) 150 ug       |
| 80012N | Quinupristin-Dalfopristin          |
| 62712  | Rifampicin 5 ug                    |
| 61812  | Streptomycin 10 ug                 |
| 44712N | Streptomycin 500 ug                |
| 61912  | Teicoplanin 30 ug                  |
| 80112N | Telithromycin                      |
| 78312N | Temocillin 30 uQ                   |

|       |                                      |
|-------|--------------------------------------|
| 62012 | Tetracyclines 30 ug(Oxytetracycline) |
| 64912 | Ticarcillin 75 ug                    |
| 64412 | Ticarcillin+Clavuganate 75+10 ug     |
| 62112 | Tobramycin 10 ug                     |
| 64512 | Trimethoprim 5 ug                    |
| 62212 | Trimethoprim+Sugfamethoxazole        |
| 62812 | Vancomycin 30 ug                     |

**Veterinary Antimicrobial Agents**

|       |   |
|-------|---|
| 70512 | Apramycin APRAM 40                                    |
| 72012 | Cefquinome CFQUI 30                                   |
| 72412 | Ceftiofur CFTIO 30                                    |
| 73912 | Enrofloxacin ENROF 10                                 |
| 74112 | Flumequine FLUME 30                                   |
| 75012 | Linco-spectin L1+SP 15<br>(Lincomycin+Spectinomycin ) |
| 76412 | Novobiocin 100 1..19 NV1                              |
| 79912 | Pirlimycin PIRLI 10                                   |
| 77912 | Spiramycin SPIRA 200                                  |
| 78612 | Tiamulin TIAMU 30                                     |
| 79212 | Tylosin TYLOS 150                                     |

**Antifungal Agents (for research only)**

|       |                            |
|-------|----------------------------|
| 81012 | Amphotericin B AMPHO       |
| 82412 | Caspofungin CASP5 5        |
| 81112 | Ciclopirox CICLO 50        |
| 81212 | Clotrimazole CTRIM 1       |
| 81312 | Econazole ECONZ 10         |
| 82512 | Fluconazole FLUCZ 25       |
| 81512 | Fluorocytosine 1 ug FLU.1  |
| 81612 | Fluorocytosine 10 ug FLU10 |
| 81812 | Itraconazole ITRAC 8       |
| 81912 | Ketoconazole KETOC 1       |
| 82012 | Miconazole MICOZ 10        |
| 82212 | Nystatin NYSTA 50          |
| 87412 | Terbinafine TERBI 30       |
| 82312 | Voriconazole VOR.1         |

**DIATABS FOR IDENTIFICATION**

|       |                                |
